

Business Fibre nbn Unlimited Advanced

CRITICAL INFORMATION SUMMARY INFORMATION ABOUT SERVICE

SERVICE DESCRIPTION

The Business Fibre nbn Unlimited Advanced plan is an Internet service provided over the National Broadband Network (nbn™) and is available in nbn enabled areas.

MINIMUM CONTRACT TERM

24 Month

KEY DETAILS

The Business Fibre nbn Unlimited Advanced plan includes UnlimitedGB data on the Advanced connection tier. Optional Enhanced Serviced Level Agreements (SLAs) available for an additional \$17.00 per month, Commander Standard Form of Agreement and Acceptable Use Policy applies to this plan, the terms of which can be found at commander.com.au/legal/customer-terms. Your data allowance includes uploads and downloads. Your unused data allowance expires monthly. If you use all of your included data within a billing cycle, the speed will be limited to 2Mbps until the next billing cycle commences. Connection Tier refers to the type of nbn™ connection installed at the customer's premises. For more information about these tiers, please visit our website commander.com.au/internet/nbn/faqs. For FTTB & FTTN customers, until your service is connected we are unable to confirm your maximum attainable speed. If your line does not support your chosen connection tier we will inform you and offer you alternative options.

STANDARD INSTALLATION REQUIREMENTS

Standard Installation is included with your plan and is provided to the first telephone point in your premises. If you're in a newly constructed building and not already connected to the nbn, nbn Co may charge you a once-off New Development charge of \$300 (inc GST). Where the additional work is required to connect your nbn service is more than a standard professional installation, you may be charged an additional fee. In such cases, Commander or nbn Co will provide any additional installation charges with you before the work being completed for you to approve. A 240 volt power supply may be required. In the event of a power outage, your services will not work unless you maintain a back-up battery. If you take up a Fibre to the Business service, you will not be able to move back to a copper service.

HARDWARE

You may use your own modem or a Business Gateway modem can be provided - see 'Information about Pricing'. The Business Gateway is pre-configured, customer self-installed and supports mobile broadband backup for Internet telephony calls when an eligible Commander IP Voice service is bundled on the same account. Please note, support is only available for Commander approved modems and FTTN or FTTB installations require an nbn approved modem. For a list of approved modems, call Customer Service on 132 777.

EARLY TERMINATION CHARGE

If you cancel the service within the contact term, Early Termination Fees (ETF) will apply. ETF is calculated as 50% of the monthly access fee, multiplied by months remaining on the agreement.
